

From Our Family to Yours.

"My mother, suffering from dementia, didn't want to move. Liz's team from Seniors Moving Smarter educated us on how to talk with mom and supported us all the way. When mom arrived she said it looked like home. We couldn't have done this without their help."

- Bonnie Barton, Grand Rapids Michigan

"We hadn't moved in 34 years, and I knew there would be a lot to tackle. I asked around to see who had figured out the best and easiest way to get it all done. A friend told me they hired Seniors Moving Smarter. From beginning to end, having them to rely on made all the difference."

- Betsy Tinkam, Grand Rapids Michigan

"Mom was struggling with physical issues and dementia that were unmanageable for both her and our family. Together we made the choice to move her into an assisted living facility. A friend referred me to Seniors Moving Smarter and let me tell you, it was the smartest phone call I made! They guided us the whole way. I cannot imagine not having their team there."

- Roger Martindill, Redmond Washington
